

Bromsgrove Swimming Club

Dear parents,

Welcome to the November/December 06 club newsletter. This is a chance to share important items and notify you of important dates, as well as share any club news with you. If you have any burning issues or would like the newsletter to address any aspects of the club's procedures please feel free to share them with a member of the committee and we can include them in a future issue. (Names and contact details for the committee members are posted on the notice boards at Bromsgrove School Pool and the Dolphin Centre and also on the website <http://www.bromsgroveswimming.org/>)

News

Speedo League

We have now swum in the first 2 rounds of the Speedo league, however, on both occasions swimmers did not turn up when they had confirmed their place earlier in the week. This meant that for 2 events there was no relay team and other swimmers in the age group had to swim off stroke as well as their own stroke. This robbed the team of some valuable and much needed points. We are aware that some times circumstances arise that means a swimmer is unable to attend a gala, but it would be appreciated if you could contact some one (team manager or coach) as soon as possible so that a replacement may be found or the events can be redistributed among the swimmers present.

Club Championships/Presentation Evening

The club championships are now over and we have booked Stoke Prior working men's club on 26th January 2007 for our presentation evening. Be sure to put the date in your diaries, so that the medals can be presented to every swimmer in person. There will also be a disco on the night for us all to dance the night away.

County Championships

The county qualifying times are now on the noticeboard, please check your pbs against these times and if you qualify for any events, get your form in as soon as possible. The forms have to be in quite soon, so this is a matter of some importance. If you are not sure of anything or have any questions just ask a committee member or you coach.

Reminders

Christmas Training

There will be no training at the Dolphin Centre or the Bromsgrove School Pool during the week of Christmas i.e. 26/27/28 December. All other sessions will take place as usual.

Noticeboard

Once again can we remind everyone to look at the noticeboard on every visit to the club. This is especially important with several galas coming up, as the team managers don't want to chase individual swimmers for their availability.

Fundraising/Sponsorship

Anyone with any ideas to help raise funds or sponsorship for the club please let a committee member know, as we are always looking for ways to raise money to help us buy equipment to assist in training and also to help train teachers and coaches. To allow us to better train the swimmers.

Keep watching the website for current news and PBs.

**Finally the committee would like to wish everyone a very
Happy Christmas and Good New Year.**
