

IMPORTANT INFORMATION

Please can I remind swimmers and their parents that Bromsgrove Swimming Club is not a profit making organization and is run by volunteers that give up their time to teach you / your child. As older swimmers leave, unfortunately, so often do their parents and the club relies on newcomers taking on the challenge.

If you think that you could be prepared to train as a teacher or time keeper, or that you may be able to spare a little time to help those already trying to run the club on a voluntary basis, the committee would welcome you with open arms. Please call Jo Kincart on 01527 832224 or email the Membership Secretary via the website for further information.
