

Dear Parents and swimmers

Due to the anticipated closure of the Dolphin Centre for a period of up to 4 months after Christmas the club has had to make alternative arrangements to enable the senior swimmers to have the use of Bromsgrove School pool. **Please ensure that you regularly check the website for any amendments as these could be at extremely short notice.**

The junior sessions have been decreased to twice a week, and some sessions will be shorter for this period. To reflect this, the overdue rise in fees will be postponed for those swimmers until full facilities are resumed.

The last session for 2007 will be 21 December 2007. We re-open Wednesday 2nd January 2008. The new timings for juniors will come into effect from 6 January 2008. For seniors swimmers please see the table below (if not stated please assume 6/1/08 – but please check with Richard before you break up for Christmas for additional sessions)
